(b) the time by which these projects are likely to be completed;

(c) the location-wise details of projects in backward and rural areas of the country; and

(d) the current status of these projects?

Answer

THE MINISTER OF STATE FOR WATER RESOURCES, RIVER DEVELOPMENT AND GANGA REJUVENATION

(DR. SANJEEV KUMAR BALYAN)

(a) to (d) Water resources project are planned, funded, executed and maintained by the State Governments themselves as per their own resources and priority. In order to supplement the efforts Ministry of Water Resources, River Development and Ganga Rejuvenation (MoWR,RD&GR) provides financial assistance to State Governments to encourage sustainable development and efficient management of water resources through various schemes such as Accelerated Irrigation Benefits Programme (AIBP) etc. under Pradhan Mantri Krishi Sichayee Yojana (PMKSY).

Ninety Nine (99) ongoing AIBP projects (along with phases) having irrigation potential of 76.03 lakh ha., have been identified for completion in phases up to December, 2019 in consultation with states. For completion of these projects in a mission mode, funding mechanism through NABARD has been approved by the Government for both Central as well as State share.

Funds to the extent of Rs. 13098.144 crore have been released under AIBP and Command Area Development Works (including Polavaram Project) during the last 3 years. In addition, this ministry facilitated release of Rs. 3334 crore in respect of State share for the AIBP projects in 6 states, through NABARD.

Current Status/target date of completion reported by the States from time to time with districts benefitted by these 99 projects are at Annexure.
